**Location: Jamestown Elementary, MPR**

Bring the whole family for an evening of fun, discovery and science learning!

Try different hands-on activities related to science, technology, engineering and math!

Brought to you by the Children's Science Center

**About the Children's Science Center:**

*The Children's Science Center's mission is to instill a love of learning science, technology, engineering, and mathematics (STEM) in all children by providing unique opportunities to explore, create and be inspired. The Children's Science Center Lab is located at Fair Oaks Mall and is Northern Virginia's first interactive museum where children, families and school groups can explore STEM concepts through fun, engaging hands-on exhibits, activities and programs. In addition to the Lab and community programs, the Center is working to fulfill the vision of a full-scale, world-class children's science museum to be located in Dulles, VA. The Children's Science Center is a 501 (c)(3) non-profit organization. Learn more at [www.childsci.org](http://www.childsci.org).*
